FOOTBALL

This season Coach Cole started out with what appeared to be just an average squad and built one of the best teams in the history of Manchester High School. Aside from being a fine football team, they were also a credit to the school with their conduct and good sportsmanship.

With an impressive record of five victories and no defeats, the local team annexed the Tri-Valley Conference championship for the first time since 1923. Of the seven tough games in their schedule, the Manhawks won five, tied one, and lost only one, which is the best record a Manchester team has had for many years. In the newly organized Mid-Six Conference, Manchester won one, tied one, and lost one--their only loss of the season. Combining a powerful running attack, a very effective passing attack and a stubborn defense the Manhawks scored 77 points to their opponent's 49. Undoubtedly they would have had a higher offensive total had they been able to play the last game with Independence.

Aside from the laurels the team won, many individuals also won honors. Nyle Bergstrand, Tom Hattel, Roger McIntosh and Carl Decklar were placed on the Tri-Vally all-conference first team while Al Eberhart and Virgil Corll were chosen for the second team.

Nyle Bergstrand, Carl Decklar, Roger McIntosh and Al Eberhart were also honored on the Iowa Daily Press Association's all-state honorable mention list. At the end of the season Nyle Bergstrand was elected as honorary captain of the 1940 Manhawks by the members of the squad.

The line of the conference champions was not especially heavy, but what it lacked in size it made up in speed and scrap. At left end was Nyle Bergstrand, a good, steady,defensive player and a very good pass catcher. At left tackle was Carl Decklar, without a doubt one of the most vicious

tacklers in northeast Iowa. Left guard was played by Don Hartman, a new man to the squad, only a sophomore. In on every play, he was one of the toughest. At center was Albert "Stub" Reeves. His size helped to bolster up the middle of the line and he improved considerably as the season progressed. Jack Kenna played a good game at the center spot in the early part of the season. Al Eberhart, not spectacular but always on the spot and full of pep, played right guard. As the season wore on, Charles Less took over the right guard position part of the time. His size made him a good defensive man. Right tackle was handled by Bob Peterson. His type of play was not spectacular, but his absence would leave a large gap in the line. At right end was Bob McIntosh, another sophomore, who played some of the time in the backfield. Bob was a very good tackler and a menacing pass catcher. Dean Young handled this spot some of the time. Another sophomore, he was a good pass receiver and defensive man.

The backfield, like the line, was not particularly large, but was very fast. At quarterback was Virgil Corll, an excellent blocker. At right halfback was David Arnold. He played the blocking halfback position, but was a ball carrier on some plays. Slow on pickup, he was hard to stop once he was under way. Left halfback was played by Tom Hattel, the speed merchant of the team. He played the running halfback position and at all times was a dangerous man because of his speed and his pass catching ability. Leading scorer of the team, his speedy trips more than once left the opposing tacklers in the rear. At fullback was Roger McIntosh, the one who made things go. Calling signals from the fullback spot, he punted, plunged, and passed with great skill. Gordon Chrystal served as student manager and very efficiently. There you have the conference champs.

Here is a review of particular and spectacular incidents during the season: The twelve out of sixteen forward passes completed in the Monticello game with Roger McIntosh pitching and Bergstrand and Hattel catching. "Diz" Corll exploding through the Vinton line. The reverberating blasts when Decklar connected with opposing backfieldmen. The determination of the whole defensive line, Bob McIntosh, Eberhart, Less, Reeves, Hartman and Bergstrand to prevent Koningsmark of Wilson, Cedar Rapids, from getting loose. "Stub" Reeves in the Marion backfield so much they thought he belonged there. Tom Hattel scooting with haste for 60 yards with an intercepted pass against Cedar Falls in the last minute to sew up the championship. The ease with which Dave Arnold blocked out opposing tacklers. Roger McIntosh's surprising sprint of 65 yards in the Cedar Falls game. All told, the Manhawks really went to town in a grand season.

Lettermen who will be lost through graduation are: Carl Decklar, Nyle Bergstrand, Tom Hattel, Al Eberhart, Albert Reeves, and Jack Kenna. Letterwinners who will not graduate are: Roger McIntosh, Don Hartman, Virgil Corll, David Arnold, Bob Peterson, Bob McIntosh, Dean Young, and Charles Less. Others who were in the first eighteen but did not compete enough to win a letter were: Bobby Miller, Bill Peterson, Mickey Barnd, and Dan Davis.

The freshman team did not have any games this year, but they were taught the game by Coach Koeppel. Promising first year men include Jack Davis, Don Dutton, Don Henyan, Don Kirschbaum, Tommy Meister, Tommy Snyder, Junior Millam, Eugene Ridenour, George Stevens, Dick Bushnell, Gene Powers and Jimmy Williamson.

Basketball

The basketball team for the 1940-41 season was a very unpredictable quintet that at times excelled last year's fine team and at other times played very erratic basketball.

A review of their record will give you an idea of the ups and downs of the season. The Manhawks were very inconsistent, never winning over five games in a row or losing over three in a row. They would go "hot" for a few games only to go into a slump.

Of their scheduled games the locals won six while losing nine, but during the entire season they won twelve, lost ten and outscored their apponents 683 to 639.

Unlike the football team, the Manhawks did not do so well in conference play. In the Tri-Valley Conference they won three, lost five and finished in fifth place. In the Mid-Six Conference they finished in fourth place, winning two and losing four.

Nyle Bergstrand and Roger McIntosh were placed on the Tri-Valley all-conference second team while Junior Rector was given honorable mention. Nyle Bergstrand was placed on the Mid-Six all-conference first team, while Junior Rector was chosen on the second team and Roger McIntosh was given honorable mention.

The locals annexed the Delaware County championship for the second consecutive year by winning their four games with ease. In winning the tournament the Manhawks displayed their best form of the season, both offensively and defensively. In the sectional tournament, held on the home court, the Manhawks were seeded first and were the heavy favorite. After winning their first two games, in which they were decidedly off form, the Manhawks were upset in the final game by the margin of two points.

Four letterwinners will be lost through graduation: Nyle Bergstrand, Junior Rector, Bob Arnold and Tom Hattel. Those lettermen who will not graduate are: Roger McIntosh, Bob McIntosh, Dean Young and Virgil Corll. The other members of the "first ten" were Micky Barnd and Ira Hatch.

The reserves had their ups and downs also, emerging with a .333 percentage. Of their nine games they won three and lost six.

The Junior High, coached by Mr. Blair and assisted by Mr. Koeppel of the High School, won four while losing six. Promising Freshmen who will be varsity material next season are: Jack Davis, Don Dutton, Dick Bushnell, Tommy Snyder, Jimmy Williamson, Don Kirschbaum and George Stevens

STUDENT COUNCIL

At the beginning of the year when the Student Council held its first meeting, they found a woeful lack of power and of things to do. However, as the year progressed, with the able guidance of its president, Maryette Charlton, and the welcome help of Mr. Howard, the Council accomplished many projects for the good of the school, and laid the foundation for increased cooperation between the students and faculty through the medium of the Council.

Some of the projects undertaken by the Council were the providing of hall monitors, selling of Manchester stickers to finance Assembly programs, and the writing of a Constitution for the Council, which clearly defines the duties and rules of the Council. The Council also made a recommendation regarding the method and time of holding school elections and also the qualifications of candidates.

BAND

The band started the year with a large number of chairs left vacant by graduation, to be filled. These vacancies have been filled by capable students, and the band has been making progress.

The band concentrated on marching at the beginning of the year, and entertained between halves of all the home football games with marching maneuvers on the field. The drum major was Earl Dunn, who was assisted by majorettes Peggy Roe, Janaan Haug Mildred Johnson, and Virginia DeLay.

After the football season the band concentrated on concert music. For basketball games, as well as pep meetings, a small pep band led by Earl Dunn furnished music.

The concert band played for the all school play and the Junior play.

At the district contest Manchester was represented by soloists Bob Dykema, Cornet; Phyllis Fry, Bass Clarinet; Earl Dunn, French Horn; Helene Hebron, Trombone; and George Stevens, Euphoneum. A brass quartette, the members of which are Bob Dykema, Dick Bushnell, Earl Dunn, and Helene Hebron, also appeared at the contest.

The Band Boosters' Club has been an active organization again this year with Mrs. Fry as president. The main project of the year was raising money for the purchase of a recording machine for the band.

Earl Dunn and Phyllis Fry were accepted as members of the All State High School Band which gave a concert at the Shrine Auditorium in Des Moines on Monday, March 15. The All State Band consisted of 250 of the best high school musicians from all over the state, and was directed by Wm. D. Revelli of the University of Michigan. This band presented a splendid concert.

The little German Band, Herr Dunn, director, has given several command performances during the year, the most notable being at the State Hospital in Independence. This band has been received with great acclaim everywhere it has performed.
